Intermotor™ offers complete marketing support to help promote the Intermotor™ brand at the shop and counter.

Intermotor™ is import.

For decades Intermotor™ has been a trusted international import brand, specializing in premium quality engine management parts for import vehicles. Now, SMP is making this world renowned import brand available in the United States. Intermotor™ is a complete engine management import line that includes ignition and electrical, relays, switches and sensors with a concentration on high technology categories such as computerized engine controls, fuel injection, and emission controls—with coverage for every part number with an import nameplate. Genuine Intermotor™ import parts are unrivalled for quality, original fit, form and function, and coverage. You can trust that the Intermotor™ brand provides a genuine import part in every box.
